

*A3*

a switch disposed in said recessed groove for causing a warning signal to be emitted upon said switch being contacted by said set of brushes.

---

Remarks:

Reconsideration of the application is requested.

Claims 1, 3, 4, 6-11 remain in the application. Claims 1, 3, 4, 6 and 8 have been amended. Claims 2 and 5 have been canceled.

In the second paragraph on page 2 of the above-identified Office action, claims 1-4 and 7 have been rejected as being anticipated by Marsh (GB 2,069,438) under 35 U.S.C. § 102. Claim 1 has been amended in view of the Examiner's comments in the eighth paragraph on page 2 of the Office action.

In the eighth paragraph on page 2 of the Office action, it is appreciatively noted that claims 5, 6 and 8 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 1 has been amended with the limitations of claims 2 and 5. Claims 2 and 5 have been canceled.

Claims 3 and 4 have been amended to be dependent on claim 1.

Claims 6 and 8 have been amended to be in independent form and to incorporate the limitations of the original base claim 1.

It is respectfully believed that claims 1, 3, 4 and 6-8 are now allowable.

In the ninth paragraph on page 2 of the Office action, it is appreciatively noted that claims 9-11 are allowable.

In view of the foregoing, reconsideration and allowance of claims 1, 3, 4 and 6-11 are solicited.

The application now contains four (4) independent claims and nine (9) total claims. A check in the amount of \$80.00 is enclosed herein for the fee associated with the additional independent claim.

Please charge any other fees which might be due with respect to Sections 1.16 and 1.17 to the Deposit Account

No. 12-1099 of Herbert L. Lerner.

Respectfully submitted,

For Applicant
